## Landscaping: Your April Gardening Checklist

- If you need to prune your spring flowering shrubs such as Azaleas, Camellia, Jasmine, spirea etc. you may do so now as soon as they finish flowering.
- Now is a great time to plant vines, whether they are annual or evergreen vines.
- Set out warm season annuals and herbs now.
- Water newly planted annuals, trees, and shrubs thoroughly and watch them carefully. A great way to make sure they last is to think about installing irrigation in your yard. No more worries about watering correctly and when!
